## Dear friends, flycasters of the world!

I hope you all are fine and can protect yourself and your families from Coronavirus. We all know how important it is to take care of each other, friends and family, and to respect the rules to protect older people from the virus. Together this is possible to handle over time, even if right now is a tough time for many countries and families around the world.

To meet you all later in August or in worst case next year in Sweden is something we are looking forward to.

### **Information about World Championships in Flycasting 2020**

This was supposed to be an invitation to the World Championships in Flycasting 2020. But due to the current situation, with the coronavirus and the countermeasures to slow down its spreading, the Swedish Casting Federation have decided to postpone the invitation and registration, until things are clearer.

At the moment only the *invitation* is postponed. The Swedish Casting Federation will make a decision on whether the WC will be cancelled no later than May 15<sup>th</sup>. Anyone that needs to book any travels or lodging before this decision is advised to do so with cancellation protection.

### **Lower cost for participating**

On a somewhat happier note I can inform you that it is decided that the starting fee will be per event instead of 'all in one'. The fee will be 65€ per event and caster. Lunch will be 10€ per day, at the arena, and banquet 35€.

### **Accommodation**

We have prebooked 4-bed cabins at a local camping, and the price for five nights is from 100 – 170€ per person. If you plan to stay the duration of the championship this is the recommended accommodation. We will get back to you with more information about how to apply for the accommodation. There are also several hotels and B&B's in the area for those who prefer that.

If you have any questions send an e-mail to [casting@casting.rf.se](mailto:casting@casting.rf.se), [pjoakimkarlsson@hotmail.com](mailto:pjoakimkarlsson@hotmail.com), or give Joakim a call, +46 70 8413924.

*Until we meet, please take care of you, stay healthy and keep on flycasting!*

Best regards,
